- Cross Campus Concert Band rehearsal - Port Macquarie Campus (2.30-4pm)

Friday 13th November
- WASCALS meeting Lunch 2 in Room 2. New members always welcome
CAREERS CORNER

Congratulations to two of our departing Year 12 high flyers, Lee Humes and Grace Green for receiving Vice Chancellor High Achievement Prizes for the University of Newcastle for Lee and University of New England for Grace.

Both students will receive $2,000 to help with the costs of their first year at university. The awards will be formally presented to both students at the College’s Presentation Day in late December.

Southern Cross University’s Senior Schools Day proved to be a helpful exercise for the dozen new Year 12 students who travelled to Coffs Harbour, in helping structure their future career pathways. Numbers travelling were down significantly on previous years but those who did attend were able to investigate the university campus and the range of courses on offer.

Congratulations to Alana Burns, Montana Reynolds and Danielle Templeman (Yr10) who all attended the “Girls Can Too – Try a Trade Day” last week at Wauchope TAFE. The day consisted of “hands on” experience and activities in electrotechnology, horticulture, construction and engineering as well as listening to a panel of female tradies talk about their work. The only downside to the day was that Danielle was the only one of the three who did not win a raffle prize of a pink, female tool kit, although she took the disappointment well, probably knowing there were going to be rewards the following day, it being her 16th birthday!

A reminder to any student who has participated in a TAFE course this year or has applied to study one in 2016 that you must supply your personal USI (unique student identifier) number to receive your qualification or to be eligible to enrol for 2016. I can help those who are unsure how to go about the process of attaining this number.

Finally, I would encourage students, especially Year 10, to consider Work Experience this term. Knowledge, skills and attitude are all attributes that will be enhanced by the experience. Visit the Careers office for further details.
